

Tushar Goyal

Barnala, Punjab, India | tushargoyal253@gmail.com | +91-98158-41646 | LinkedIn | GitHub

Professional Summary

Final-year Computer Science student skilled in Python, C++, Java, Swift, and SQL. Experienced in iOS and software development, building scalable applications, and problem-solving using analytical and logical approaches. Strong foundation in data structures, algorithms, and collaborative development using Agile practices. Eager to contribute to impactful software engineering roles.

Skills

Languages: Python, C/C++, Java, Swift, SQL

Frameworks/Technologies: SwiftUI, UIKit, Supabase, Firebase

Developer Tools: Git/GitHub, Linux, JIRA

Software Engineering: OOP, Data Structures & Algorithms, Agile/Scrum

Experience

iOS App Developer Intern, Infosys – Mysore, Karnataka (Feb 2025)

- Implemented Agile practices (sprint planning, daily standups, retrospectives), improving sprint efficiency by 20%.
- Collaborated with cross-functional teams to design and develop iOS features, enhancing app stability and user engagement.
- Developed reusable Swift modules, optimized app performance, and resolved critical bugs to ensure smooth deployment.
- Participated in client-facing sessions, improving professional communication and presentation skills.

Projects

Password Security Vault (Java)

- Built a Java-based password manager with AES-256 encryption and PBKDF2WithHmacSHA256 for secure credential storage.
- Designed an intuitive desktop interface using Java Swing and file I/O for easy usability.
- Focused on safe data handling and strong encryption algorithms for user security.

AttireMe – Outfit Recommender App (iOS)

- Designed and developed an iOS app using UIKit and Supabase with features like outfit recommendations, user authentication, story posts, and full CRUD functionality.
- Integrated Supabase backend for scalable data storage and optimized queries for better app performance.
- Published on the Apple App Store, achieving positive user adoption and feedback within the first month.

Education

Chitkara University, Rajpura

BE in Computer Science Engineering, Aug 2022 – June 2026

GPA: 7.9/10.0

SVM Barnala, Punjab

Senior Secondary Education, 2020 – 2022

Percentage: 88.2%

Certificates

- Networking Essentials – Cisco
- IT Fundamentals for CyberSecurity – IBM
- AI Foundations for Everyone – IBM
- iOS Developer Internship Certificate – Infosys
